**NARRATIVE:**

Shawn Dierolf has an extensive adult criminal history that began at the age of 20. His convictions include possession of a firearm by felon, burglary, assault by prisoner, multiple cases of exhibiting a deadly weapon, grand theft cargo, vehicle theft, knife weapons violation, petty theft, possession of narcotic controlled substances, vandalism, transporting controlled substances, disturbing the peace, unauthorized use of syringe and multiple cases of being under the influence of controlled substances. He has served multiple incarcerations, the longest being an 8 year term for felon in possession of a firearm. Dierolf was released from state prison to the supervision of the Los Angeles County Probation Department on April 28, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2015 after he absconded from post release community supervision (PRCS). Dierolf qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for a knife weapons violation is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
